Quote

The Company is pleased to announce that one of its subsidiaries, Medserv International Ltd, has entered into a new framework agreement for the provision of marine agency services in Suriname, with a leading international engineering and drilling contractor operating in Suriname.

The agreement will run until 15 December 2029 and is expected to generate multimillion US dollar revenues over its term, subject to work orders to be issued from time to time under the framework agreement.

This agreement further strengthens the Group's footprint in Suriname and the wider Caribbean region, supporting its strategy to grow its integrated logistics and marine services offering in established and emerging energy hubs.
