**QUOTE**

The Company is pleased to announce that its subsidiary, Middle East Tubular Services Limited (METS), has successfully been awarded a contract by a new client, Dubai Petroleum, for the provision of Machining Services on a call out basis.

This contract is for a preliminary period of three years with an option for Dubai Petroleum to extend for a further two-year period under the same terms and conditions. This contract came into effect on the 1<sup>st</sup> December 2021. These services are to be carried out from the METS facilities situated in the United Arab Emirates.
