

COMPANY ANNOUNCEMENT

MEDSERV P.L.C.
(THE “COMPANY”)

Edison Investment Research

Date of Announcement	10 June 2016
Reference	140/2016
Listing Rule	LR5.16

Medserv plc announces that it has appointed Edison Investment Research (**Edison**) to carry out analytical investment research on the Company. This will be in the form of periodic reports which will be made available to the general public and which will be posted on the Company’s website. These will be compiled by Edison solely on the basis of information already in the public arena. Any forward looking statements and projections contained therein reflect solely the views of Edison themselves. A copy of the first of such reports is available for viewing on the Company’s website www.medservenergy.com.

Edison connects companies and investors around the globe and has a client base that stretches worldwide. Their client Base covers over 400 different corporate clients sitting within 10 different areas of sector specialisation and Edison provides them with a range of services including equity research, non-deal roadshows, commercial due diligence, perception audits and Edison TV executive interviews. Edison also works with many of the world’s largest asset managers to provide them with investment ideas and specialised advice.
